

## MOVIE CENSOR SAYS ONE YARD OF KISS IS ENOUGH, BUT NO KISSES ARE BETTER

Chin-Kiss Displayed In Circle Above; Digital Kiss As a Pretty Girl Does It.

From the ethic, esthetic, etiquette, and ecstatic point of view, how long is a kiss?

The maximum permissible longitude of osculation, is, upon the most high authority of the Chicago movie censors, one yard! After three feet of kiss, they hold, the osculent action ceases to be a true kiss and becomes an inexcusable impropriety.

Their decision to cut the kisses short at the three foot of film limit, in all films presented to them, has aroused a storm of protest. Persons throughout the nation are arguing the case, and the kiss question threatens to eclipse the Mexican situation in the public eye.

In the first place, the original censor, Anthony Kumquat, holds that
